

# One click to Form C in Framework Programme with EFAMT®

EFAMT® Web-Based solution brings more efficiency to your Organisation. Financial Management in your Grant Funded Projects will be simplified with EFAMT®. Automated processes in preparing Reports for various granting schemes, especially in Framework Programme, will help you to optimise your funding.

## Solutions for Coordinators

As a Coordinator you have the hard task of Managing all the Project Partners and ensuring the correctness of financial Reports and Invoice tracking. With EFAMT® for Coordinators you will be able to monitor all Project Resources and ensure that all Project Partners provide correct data and Reports in time.

The Internet application does not require any installation or use of special computer equipment. The use can commence immediately upon registration by receiving the password. E-monitoring becomes easy for every user with an Internet access, no special training needed.

EFAMT® is present on the market for over three years. More than 1 000 current users from 115 Organisations are using it on 960 Projects.

## Real Time Reporting in 6<sup>th</sup> and 7<sup>th</sup> Framework Programme

Automated reports sorted according to Grant schemes are in line with the legislation at any given moment and therefore contribute to the time savings in regards to traditional “paper” preparation of Reports.

### Centralised Project Data.

It enables multiple partners working from different locations. The analyses and Reports are available for each user as defined through EFAMT® Permission Control settings in the user's profiles. Coordinator can monitor all the Project data in real-time.

### Planned Cost Categories

are closely monitored and always available in real-time for taking important decisions in Project Management. Accurate data about the amount of committed costs enables timely acting in all further activities.

## The Form C report in line with the relevant EC Directives is generated automatically with one click

You are logged in as: **John Schmidt - Test** [\(Log Out\)](#)

Project title: **Test Project**
